

.....the way we were.....

to all of us
who were there . . .

Mark Vanian

Give me your smile
And I'll keep it
forever
pressed tightly between
the crisp, clean tissue sheets
of my
memory

Anon.

Friends love your good side
and live your bad.
Want you and need you
When no one else knows you're alive.

Paul Williams

David Beck

Ideas are clean. They soar in the serene
supernal. I can take them out and look
at them, they fit in books, they lead me
down that narrow way. And in the morning
they are there. Ideas are straight---but
the world is round. And a messy mortal
is my friend. Come walk with me in the
mud . . .

Hugh Prather

Georgia Packard

what will will
and what won't won't
when you say your
won'ts won't and your
wills will, you're happier.
when you say that your
won'ts will and wills won't,
and won'ts did not won't,
and wills did,
you'll be disappointed.
when your dids didn't
and your didn'ts did,
you were lucky.
so remember,
when your had to be's weren't,
you were at least trying
your hardest.

Tim Mullikin

Everyday should be passed
as if it were our last-
For we know nothing of
tomorrow; we only know our
hopes and dreams,
So as a goal, be happy
today.....

A man looking at things for the last time wanted to fix them in his head. He wanted to look separately at every tree and rock and run of water and to say goodbye to each, and to tuck the pictures of them away so's they wouldn't ever be quite lost to him.

YOU ARE HERE

You are here and we are still
 You do not speak, and I too, am
 silent.
 our hungry eyes search and find
 their answer,
 The same as ever before.
 Nothing is changed in you or me,
 Mute with our happiness we look
 and smile.
 Soon the others will come
 With laughter and words full of
 meaningless noise.
 And we will smile, you and I,
 And speak in our silent way.

Lord make me an instrument of thy peace.
That where there is hatred I may
bring love;
Grant that I may seek rather to comfort
than be comforted, to understand
than be understood, to love
than be loved.
For it is by giving that we receive,
self forgetting that we find,
forgiving that we are forgiven,
dying that we awaken to eternal life.

A vintage black and white photograph of a wooden door. The door is composed of horizontal wooden planks. A vertical wooden plank runs down the center of the door. On the left side of the door, there is a circular porthole or window. The porthole has a metal frame and a small handle on top. The glass of the porthole is slightly textured or dirty. The word "MUSIC" is printed in a serif font in the bottom right corner of the image.
