The Aspen Avalanche, coached by Mark Hockmeyer and John McBride, won the state championship for the 1992 -1993 season, the second consecutive championship for this team. Having won the season with an overall record of 25-2-4, the Avalanche earned the rights to host this year's state tournament. With leading scorer, Peter Scott, the team beat Casper 6 to 4 in the final game of the state play-offs. Aspen High has won only three State Championship titles, two of them belonging to the hockey team. Overcoming adversity and a blemished reputation, this year's Avalanche gave birth to one of the best high school teams ever to come through the state of Colorado.

To be eligible for National Honor Society, students must maintain a 3.5 grade average, be nominated and selected by the faculty, and be recognized as community service leaders. NHS's primary function is to help the school and community. This year the group went caroling at the Senior Citizens' Center and the Aspen Valley Hospital. They also made tutors available to students who need extra help. NHS' plans include fund raising to pay for a scholarship going to an outstanding leader at Aspen High.

PEER SUPPORT

The Peer Support program, taught by Geraldine Graham, provides students a one-year course in which they are taught ways to reach out to their peers. The Peer Support program begins with a three-day outward bound experience in which the Peer Supporters learn team building skills and how to work together. Peer Supporters learn skills for helping their peers everyday.
